Le Grand Foot Parlor Opening.

The Le Grand Foot Parlor at 1338 North Clark street, had a grand opening of its new quarters at the above number on September 14. There was class to that opening, too. Chiropractic—What It Is.

Chiropractic (Kiro-prak-tik) is the Science of locating the cause of disease and the Art of removing it by adjusting the spine, which relieves pressure on the nerves and allows nature's life-spark, or nerve energy, to flow freely to and from the brain.

The cause of disease, as the Chiropractor finds it, is a subluxation of one or more of the vertebrae which decrease the size of the opening through which the spinal nerves pass, and impinge or press them, hence shut off a portion of the nerve supply to the organs or parts, and the result will be disease, deranged functional activity. A normal nerve supply to any organ or part of the human body generates normal function and maintains health.

In adjusting the vertebrae to release the pressure, the Chiropractor uses and needs nothing but his hands. The whole object of his work is completed when this pressure is removed. Nature does the curing. In some cases daily adjustments are necessary for a time. In other cases, however, three adjustments a week will bring splendid results. The Chiropractor should be the judge as to the frequency of the adjustments.

"No matter how strange, unusual, or even opposed to established custom or belief an idea may be, if its claims prove to be in harmony with all the essential facts concerning the subject to which the idea is related, it is true and valuable and should be accepted." MICHAEL K. SHERIDAN.
Popular President of the Board of Assessors Who Deserves Re-election as Assessor on His Record.

native American, Mr. Sheridan, who was born in Sterling, Illinois, has lived in Chicago since 1888.

For twenty years he was manager of the shipping department of the big packing plant of Morris & Company at the Stock Yards. In 1912 he was appointed deputy clerk of the Criminal court and was elected member of the Cook county board of assessors in the fall election of that year. In this capacity he served two years as secretary of the board and two years as chairman, and during his entire term his course has been guided by an eye single to the welfare of the public, fair play to the taxpayers duty. He now holds the position of chairman of the board of assessors.

Mr. Sheridan received his education in Sterling, Illinois, where he graduated from the public high schools. He afterwards attended business college and thus equipped he started out to face the world, and in the world's battle has met with great success. Mr. Sheridan is a member of the Knights of Columbus, the Maccabees, the Loyal Order of Moose, the Irish Fellowship Club, the Englewood Patriotic League, the Soldiers Relief Society and is an auxiliary member of the State Council of Defense. He is, as we have said, a Democrat from the ground up, and is now Democratic ward committeeman from the Thirty-first ward. He was a member of exemption board No. 72 until January 12, 1918, when Governor Lowden accepted his resignation which Mr. Sheridan was obliged to tender so he could attend to his official duties as member of the board of assessors.

Mr. Sheridan has the distinction of being complimented upon the fact that his board of exemption had not cost the government a single penny for anything while he was a member of that body, as he furnished the clerk-hire, room, light, heat and everything else pertaining to the work.

As stated at the outset, Mr. Sheridan's term expires in the coming fall. He is a candidate, within the lines of the Democratic organization, and if he is nominated for re-election (which is a certainty) he will undoubtedly be re-elected. He is a man of quiet and unassuming ways, and his candidacy is being conducted in a quiet, dignified way. As he says himself: "If the Democratic organization drafts me again for office I shall make the race, and if elected shall serve. If I am not 'drafted' by the party I shall be found working for the regular candidate, and for all the regular candidates on the county ticket."

Michael K. Sheridan is nothing if not a patriot. He has given his time and best efforts to his country ever
